

SIMPLY LUXURIOUS

Small and intimate or prestigiously large, the choice is yours at the Addison Conference & Theatre Centre. For an intimate wedding of 50 guests or less, you will love the charming Stone Cottage with natural light and hardwood floors. For a more formal affair of up to 300 guests, choose our 6,600 square-foot facility with 14-foot high, exposed beam ceiling.

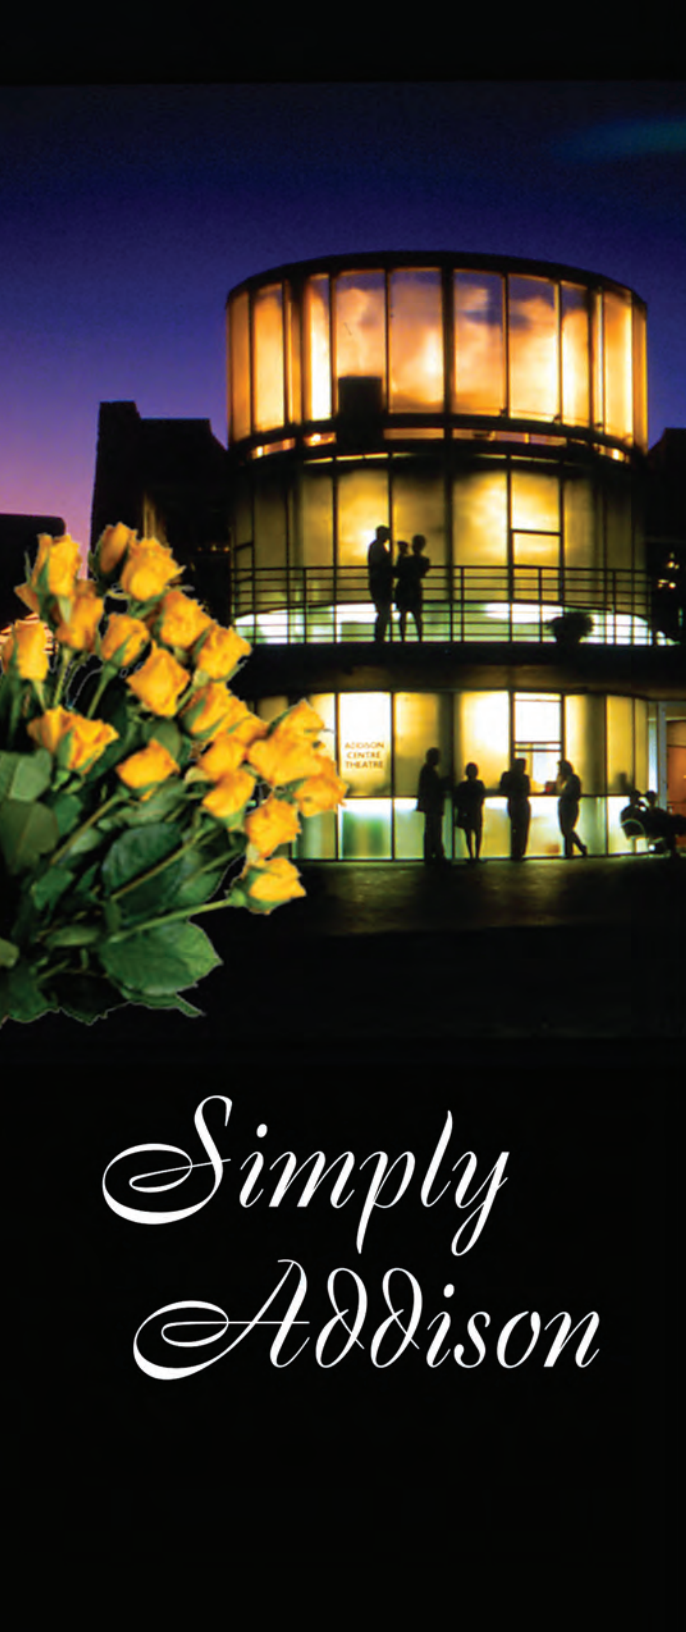

A UNIQUE SETTING

Pose for portraits in our lush garden featuring native Texas plants. Make a memorable entrance from the grand staircase in the theatre lobby. Toss your bouquet from the dramatic outdoor balcony. Whether you choose our unique venue for your ceremony or reception or both, your guests will be awed by your exclusive event!
